Certificate of Origin

Yssel's Custom T-Cell Medium

Expiration Date: June 2020

Catalog Number: 900-133

Lot Number: M93R00J

This is to certify that the Human holo-Transferrin, Bovine Insulin and Bovine Serum Albumin used to manufacture Yssel's Custom T-Cell Medium, Catalog Number 900-133, Lot Number M93R00J, was obtained and processed from blood collected in the United States in FDA or USDA approved facilities.

The Human holo-Transferrin was derived from individual donor units of plasma and has been tested and found non-reactive or negative for HBsAg, anti-HCV, anti-HIV-1/2, HCV-NAT, and HIV by EIA/NAT. Each donor was also tested and found negative for syphilis according to FDA guidelines.
